# Capital Farm Credit Appraisal Services

*Rural Appraisals by the Appraisal Experts*

[CapitalFarmCredit.com](http://CapitalFarmCredit.com)

Part of the Farm Credit System

TEXAS' LARGEST RURAL LENDER

## *Professional Rural Appraisals at Competitive Prices*

At Capital Farm Credit, each appraisal is conducted according to the Uniform Standards of Professional Appraisal Practice (USPAP), and includes on-site property inspections and field investigations. Client relationships are kept confidential.

We use a comprehensive database of rural real estate sales information, combined with our knowledge of local trends and economic conditions, to ensure that every appraisal is timely and meets the client's needs. On large or complex appraisals, project teams work together to gather and analyze the appraisal data.

Capital Farm Credit appraisers receive ongoing training and maintain affiliations with professional appraisal organizations to ensure the highest quality of work.

When you need a professional rural real estate appraisal, Capital Farm Credit is the answer.

We employ a team of state-certified rural appraisers who are the best in the business. Our appraisers specialize in all types of rural property, whether they are the timberlands of East Texas, the agricultural lands of West Texas, South Texas hunting ranches or agricultural facilities in the Panhandle.

If you're involved in financial or estate planning, land division, obtaining financing, property sale consultation or any other activity that requires a credible appraisal, Capital Farm Credit can help with your property appraisal needs. Because of our wide territory, we have a vast understanding of rural real estate values across the Lone Star state.
